

NOW'S THE TIME for "AN INTRODUCTION to BRIDGE"

You play bridge! Now's the time to introduce friends and family to this game that we all love!

The Gauteng Bridge Union is launching a series of lessons for newcomers to the game, which will also suit the relatively inexperienced player who is trying to improve his or her game.

The introductory lessons will be run by Neville Eber, well-known Springbok bridge-player and a doyen of South African bridge, at a cost of R 300 for three sessions, to be followed by further lessons from other experienced and dedicated bridge-teachers.

Round 1 starts at 10.00am on Saturday 24th March at The Links Club in Linksfeld. Further rounds will be arranged when and where they are needed.
